Coronation Durbar festivities in Beer Lash and that they have since been handed over to the Chitaldrug Municipality and solicits instructions as to whether the charge may be met as a final charge on the amount recouped from the Municipality.

2. Submitted for orders the "Jubilee Fund" is very probably the amount collected by subscription in connection with the Jubilee &c., the amount spent for the kitson lights may perhaps be finally charged off to "Jubilee Fund" and the balance paid to the Industrial School at Chitaldrug as suggested by the D.C. Chr. the two kitson lights being considered a free gift to the Municipality. In any case, it seems out of the question to recover the amounts from the Chitaldrug Municipality, the more especially as the Govt. had only recently to write off the accounts a sum of about Rs 10400 due by the Municipality ~~dated 30~~ 28th Calling for additional ~~23/11/12~~ is also put up for approval or other orders.

3) The disposal of the amount left over is not a matter which concerns Govt & is one entirely within the discretion of the Head of the Dt. The Jubilee Fund is evidently a private fund, at all events, it has not been shown to be a fund belonging to which Govt has any claim by partial contribution or otherwise Its disposal is primarily a matter for the subscribers. If, as the Dy Com^r states, the subscribers could not be found, it is for him to consider how representative opinion of the subscribers can be obtained & how the money may best be utilised It is not possible for Govt to give him any instructions on the matter &c

S I R,

I have the honor to state that a sum of Rs 348-7-3 was held in the Savings Bank account in the District Treasury at Chitaldrug in the name of Mr. C.D.Ramaswamiah, Retired Assistant Commissioner, who was then the Amildar of the Chitaldrug Taluk. The amount is stated to be the surplus left with him as a member of the Jubilee fund. The District Treasury Officer having suggested that the amount might be withdrawn and used for some public purpose, I wrote to Mr. C.D. Ramaswamiah if he had any objection to place the amount at my disposal. He agreed with me and the whole amount was withdrawn.

2 Mr. M. K. Tirumala Char, Deputy Inspector of Schools having represented that the Industrial School at Chitaldrug was put to much inconvenience for want of instruments etc for the use of the boys undergoing tuition, I have advanced Rs 50/- out of the Jubilee fund. The Deputy Inspector again urges that an additional sum of Rs 100 may be granted out of the same fund.

3 It is now difficult to get any opinion from the subscribers of the Jubilee fund, as regards the expenditure of this balance but as the Industrial School is an institution for the benefit of the whole District, I think that this fund or Rs 150 out of it can be spent on the school.

4 If this proposal does not commend itself to Government, the amount of Rs 50/- paid already will be treated as an advance and adjusted after Government sanction the increased grant recommended in this office No. 651 dated 7-11-1912 through the Inspector General of Education

In this case, instructions are solicited as to the disposal of this fund, Mr Ramaswamiah having already placed it completely at the disposal of the Deputy Commissioner

S I R,

I have the honor to state that two Kitson lights were purchased at a cost of Rs 98-8-0 on the occasion of local celebrations observed at Chitaldrug in connection with the Coronation Durbar held at Delhi in December last. The cost of these lights has been met out of the Jubilee Funds then available pending adjustment in due course vide this office No. 202 dated 12th January [illegible]. These lights were used for the occasion and have since been handed over to the Municipal authorities and they are given to the public at a reasonable hire whenever there will be demand for the same.

2 As stated in the above letter there is now no means of ascertaining the wishes of the subscribers as regards the disposal of this money, and the Treasurer Mr. Ramaswamiah has placed it unconditionally at the disposal of the Deputy Commissioner

3 In these circumstances, I request to be informed whether this charge may be met as a final charge or whether the amount should be recouped from the municipality. In the latter case, instructions for the disposal of the amount, may kindly be issued.
